Chesapeake Science Point Public Charter School will host the Guinness World Record Holder for "the Fastest Human Calculator"!

PRESS RELEASE

FOR IMMEDIATE RELEASE

Contact: Fatih Kandil 443-7575-CSP

The Guinness World Record holder, Scott Flansburg will visit CSP on January 8, 2010. The "Human Calculator" will speak to CSP students, staff, parents and supporters and even show off his own skills a bit. Mr. Flansburg will be coming from West Coast to address CSP students and also recognize CSP Champion Math Team that brought the first place to Maryland at the National American Math Challenge Competition.

The entire event is sponsored by the nation's largest middle school math enrichment, coaching and competition program MATHCOUNTS. The president of the national MATHCOUNTS program Mr. Lou DiGioia will also join the "Human Calculator" to honor Chesapeake Science Point Public Charter School's national accomplishment.

In his 20-plus years of teaching math, Scott has appeared on several talk shows including Oprah, The Tonight Show with Jay Leno, The Ellen DeGeneres Show, Dateline NBC, ABC's Good Morning America, Coast to Coast AM with George Noory, Larry King Live, Howard Stern, The 700 Club, Primetime America, Regis & Kathy Lee, CNN Day Watch, How'd They Do That?, ESPN's World Series of Poker, and USA Today Radio Network. Many companies and organizations such as NASA, IBM, Polaroid, Unocal, Software Publishers, Tony Robbins Seminars, The Smithsonian Institute, National Council of Teachers of Mathematics had him as the Keynote Speaker.

All CSP supporters are invited to attend and witness this exceptional opportunity. For more information about this phenomenal event, please visit us at www.mycsp.org
