***** FOR IMMEDIATE RELEASE *****

November 20, 2008

**CHESAPEAKE SCIENCE POINT
IS THE
POINT OF SUCCESS!**

**CSP is the Home of One of the 5
Winners of the 2008 National
Science Fair Competition!**

The historic, national, CSP accomplishment was recognized by one of the Nation's top offices. Luke Andraka, Mrs. Andraka, and Mr. Kandil were invited to Capitol by Congressman John Sarbanes.

Congressman John Sarbanes, accepted his guests from CSP at his office. Congressman congratulated both Luke and CSP for this wonderful accomplishment. Congressman said that he learned about the great news on the floor, when he was presenting an upcoming bill that allows students to do more hands on learning and apply the theory they master at school, to the real life outside. Just like Luke did. Congressman received the message via e-mail during his speech and commended Luke's achievement in his presentation.

After an amazing staff led Capitol Tour, Congressman Sarbanes and the guests from CSP had their picture taken as the best souvenir for the day.

Way to go Luke! Way to go CSP!
